

YOU'RE NOT LOW BID. SO WHY WEAR A BADGE THAT IS?

Your badge is your image and reward for a career few can do. Your badge is a symbol of honor, sacrifice and justice. Unfortunately, not all badges are made the same. So what does it say when it's done by the lowest bid? We can replicate your duty badge at the same rank and number you were issued but in a much higher quality. Best of all it may be a tax deduction (consult your financial advisor) If you're a stickler for details you already know our badges look better because they're made better.
