## The San Diego Police Department was founded on May 9, 1889

**Now you can commemorate it by wearing it every year**

### SDPD HAS A LONG HISTORY AS A PROFESSIONAL ORGANIZATION

1889. With rampant crime citywide a force of 12 men were tasked with restoring order. With large silver seven point stars affixed to their chests, they took to the streets. By the end of the year they had cut crime by more than 60%. In the state of the city address a few years later the mayor noted, *"The police department is the lowest staffed police agency per capita yet are a most effective force."* Thus a proud tradition was born.

In recognition, we are pleased to announce this beautiful, museum quality badge has been authorized for optional use as official insignia **EVERY** month of May. Each badge is custom made for your rank and ID number and will only be available to active duty, and honorably retired badge carrying members of the SDPD.

For your convenience, we accept **cash, check or VISA/Mastercard.**
